Notice to policyholder

Important information about
changes to your policy wording

We have made some changes to your policy document. These amendments have been made clarify the cover provided by your policy.

A summary of the key changes are detailed below.

Changes made to clarify your policy cover:

The Virus, Disease and Pandemic Exclusion has been deleted and a new Disease Exclusion has been added.

The Electronic Risk exclusion has been deleted and replaced with our new Electronic Risk Exclusion.

There are otherwise no changes to your policy.

These amendments will be effective from the Policy renewal date.
